Writer's 2005 Calendar

I created this calendar for non-commercial use. You may not profit from the production or distribution of this calendar. Translation: you cannot reproduce it and sell it.

You may, however, send the file as an e-mail attachment, upload it to your own site and offer it as a free download, give it away to your subscribers -- anything goes...as long as you do not charge for it.

You can redirect others to download their copy from this link:

Thanks, and write on!
